Chris Fantom CMIOSH

Chartered Health & Safety Consultant (Proprietor)

I have over 40 years of industrial experience in Engineering and am a qualified Mechanical Engineer.

I have worked in Health & Safety for over 25 years having gained my NEBOSH Diploma in 1999 and am a Chartered Safety and Health Practitioner within I.O.S.H. And I am on the new 'Occupational Safety and Health Consultants register (OSHCR) All this gives clients certain guarantees of standards and service.

I have been self employed as a H&S Consultant for the last 15 years and if you look at the Client Operations list you will see the diverse range of operations I have covered.

Work covered

Risk Assessments including:

COSHH, Manual Handling, VDUs, Fire, Noise, General - covering all subjects not covered by the specific assessments already listed including - Machinery, work at heights, Transport, tools, storage, buildings,

Other Work

H&S Policies, Safe Systems of Work, Safety briefings, Management Training

Work can be carried out as a one-off exercise with regular visits to monitor progress and update and revise as necessary, or regular weekly or monthly visits can be arranged.

CLIENT OPERATIONS INCLUDE

Manufacturing
Warehousing
Steel Stockholders
Retail/Trade outlets
Hotels
Carpentry
Printers
Heating & Ventilation

Food
Education
Building Services
Automotive Products
